Blue Book® Suggested Retail Value

\$20,007

The Kelley Blue Book Suggested Retail Value is representative of dealers' asking prices and is the starting point for negotiation between a consumer and a dealer. This Suggested Retail Value assumes that the vehicle has been fully reconditioned and has a clean title history. This value also takes into account the dealers' profit, costs for advertising, sales commissions and other costs of doing business. The final sale price will likely be less depending on the vehicle's actual condition, popularity, type of warranty offered and local market conditions.

© 2018 Kelley Blue Book Co., Inc. All rights reserved. 12/29/17-1/4/18 Edition for 92618. The specific information required to determine the value for this particular vehicle was supplied by the person generating this report. Vehicle valuations are opinions and may vary from vehicle to vehicle. Actual valuations will vary based upon market conditions, specifications, vehicle condition or other particular circumstances pertinent to this particular vehicle or the transaction or the parties to the transaction. This report is intended for the individual use of the person generating this report only and shall not be sold or transmitted to another party. Kelley Blue Book assumes no responsibility for errors or omissions.(v.18010)

Glossary

[View Full Glossary](#)

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
